faced with crisis lack of direction or just plain stuckness many congregations and their leaders are content to deal only with surface issues and symptoms only to discover that the same problems keep recurring often in different and more serious ways in the hidden lives of congregations christian educator and consultant israel galindo takes leaders below the surface of congregational life to provide a comprehensive holistic look at the corporate nature of church relationships and the invisible dynamics at play informed by family systems theory and grounded in a wide ranging ecclesiological understanding galindo unpacks clearly the factors of congregational lifespan size spirituality and identity and shows how these work together to form the congregation s hidden life he provides useful tools for diagnosing and understanding how one s congregation fits into the various categories he names and suggests what leadership skills are necessary to get beyond the impasse of surface issues and help the congregation achieve its mission the hidden lives of congregations provides one of the most far reaching looks into the invisible nature of faith communities written in recent years for seminaries and divinity schools it provides a standard text for getting a solid start in congregational practices for experienced pastors it provides support for renewing ministry for lay leaders and committees it offers insight to deepening mutual ministry israel galindo has written an indispensable manual that leaders will return to repeatedly for new wisdom and guidance

for five years alban institute senior consultant susan beaumont has been giving voice to the organizational and leadership demands of large congregations through her work she has identified five basic leadership systems that need to stay in alignment for the large church to function well for its size clergy leadership roles staff team design and function governance and board function acculturation and the role of laity and forming and executing strategy she has also learned that these five systems operate with some important but subtle distinctions in what beaumont calls the professional church 400 800 in worship attendance the strategic church 800 1 200 and the matrix church 1 200 2 000 often she has discovered problems in a large congregation are related to the fact that one or more of the five systems is inappropriately structured for the size of the congregation in other words the church isn't acting its size beaumont is invested in helping large congregations rightsize their leadership systems to better serve their ministry context this book articulates why size matters and how it matters in the world of large congregations it is written for anyone who wants to better understand the leadership and organizational dynamics of the large church anyone seeking to understand the challenges of leading from inside the large congregation

in imagination meditation and cognition in the middle ages michelle karnes revises the history of medieval imagination with a detailed analysis of its role in the period's meditations and theories of cognition karnes here understands imagination in its technical philosophical sense taking her cue from bonaventure the thirteenth century scholastic theologian and philosopher who provided the first sustained account of how the philosophical imagination could be transformed into a devotional one karnes examines bonaventure's meditational works the meditationes vitae christi the stimulus amoris piers plowman and nicholas love's myrrou among others and argues that the cognitive importance that imagination enjoyed in scholastic philosophy informed its importance in medieval meditations on the life of christ emphasizing the cognitive significance of both imagination and the meditations that relied on it she revises a long standing association of imagination with the middle ages in her account imagination was not simply an object of suspicion but also a crucial intellectual spiritual and literary resource that exercised considerable authority
