the 2014 midterm election was one of the most significant in recent memory with a decisive turning of the tables in favor of republicans with a now republican controlled senate and house at odds with a democratic president with only two years left in office the fault lines within and between both parties have never been more tenuous in this book prominent elections scholar and political commentator larry j sabato brings together respected journalists and experts from across the political spectrum to examine every facet of the midterm election results and the implications for the 2016 election cycle in frank accessible prose each author offers insight that goes beyond the headlines to analyze what the midterm results mean and what is at stake in the coming presidential race contributing authors joining larry sabato with chapters in the book include professor alan abramovitz of emory university mark blumenthal of huffington post jamelle bouieof slate rhodes cook formerly of congressional quarterly robert costa of the washington post ariel edwards levy of huffington post james hohmann of politico political writers and commentators kyle kondik and geoff skelley of the university of virginia center for politics jill lawrence of creators syndicate visiting assistant professor josh putnam of appalachian state university michael toner and karen trainer of wiley rein llp and sean trendle of realclearpolitics

this classic text on the american presidency analyzes the institution and the presidents who hold the office through the key lens of leadership edwards mayer and wayne explain the leadership dilemma presidents face and their institutional political and personal capacities to meet it two models of presidential leadership help us understand the institution one in which a strong president dominates the political environment as a director of change and another in which the president performs a more limited role as facilitator of change each model provides an insightful perspectives to better understand leadership in the modern presidency and to evaluate the performance of individual presidents with no simple formula for presidential success and no partisan perspective driving the analysis the authors help us understand that presidents and citizens alike must understand the nature of presidential leadership in a pluralistic system in which separate institutions share powers this fully revised thirteenth edition is fully updated through the biden administration with recent policy developments the 2022 midterm elections changes to the media environment and the latest data

the number one bestseller it's all here in this stunning first draft of the history of the presidency of Donald Trump. Sydney Morning Herald, an icy Iago-like glimpse of the emotional and moral nullity that may be the source of Trump's power. Observer, a damning well-reported, well-sourced, and clearly written haymaker. Sunday Times, drawing on nearly three years of reporting, hundreds of hours of interviews, and more than two hundred sources, including some of the most senior members of the administration, friends, and first-hand witnesses who have never spoken before. Philip Rucker and Carol Leonnig take us inside some of the most controversial moments of Trump's presidency: they peer deeply into Trump's White House, at the aides pressured to lie to the public, the lawyers scrambling to clear up norm-breaking disasters, and the staffers whose careers have been reduced to ashes. To paint an unparalleled group portrait of an administration driven by self-preservation and paranoia, Rucker and Leonnig reveal Trump at his most unvarnished, showing the unhinged decision-making and incompetence that has floored officials and stunned foreign leaders. They portray unscripted calls with Vladimir Putin, steak dinners with Kim Jong Un, and calls with Theresa May so hostile that they left her aides shaken. They also take a hard look at Robert Mueller, Trump's greatest antagonist to date, and how his investigation slowly unravelled an administration whose universal value is loyalty not to country but to the president himself. Grippingly told, *A Very Stable Genius* is a behind-the-scenes account of Trump's vainglorious pursuit of power in his first term.

This book makes the case for teaching and engaging with the Trump presidency as US political history, asking questions about how and when Trump's presidency should be studied. Posits that history teachers must engage with this history now. The author points to the events that the January 6th Commission called a stain on our history and makes the argument that these events, if ignored, could stain the idea of history itself, shrouding it in a mythical haze and relegating history teachers to merely marginalized storytellers. As such, it offers ideas on engaging students with the facts and sources of the Trump presidency and placing Trump in the larger context of American political history. It specifically centers the notion of historical thinking as a guiding principle for the teaching of history and the study of the Trump presidency. In particular, this book bridges the gap between the controversial events and rhetoric of Donald Trump's first administration and the importance of contextualizing his presidency in the history classroom. It will appeal to

educators scholars and researchers with interests in history education and teaching those interested in civic education and social studies as well as anyone interested in the future of teaching history and civics

summary of a very stable genius by philip rucker carol leonnig donald j trump s testing of america synopsis a very stable genius 2020 is the definitive account of donald trump s time in the white house after three years of silence dozens of public officials and other first hand witnesses familiar with the workings of the trump administration went on record with reporters carol leonnig and philip rucker their testimony forms the backbone of these summary which reveal the forty fifth president of the united states up close about thE authOr carol leonnig is an investigative reporter at the washington post she has won three pulitzers for her reporting on misconduct in the secret service russian interference in the 2016 presidential election and government surveillance she is a regular contributor to nbc news and msnbc philip rucker is the white house bureau chief at the washington post he and a team of post reporters won the 2016 pulitzer for their reportage of russian meddling in the 2016 us election rucker is an on air political analyst for nbc news and msnbc disclaimer this book is not meant to replace the original book but to serve as a companion to it

a closely observed gripping chronicle of politics and journalism during a decade of turmoil the new york times book review politics money media tech it s all here in collision of power all the president s men for a new generation town country marty baron took charge of the washington postnewsroom in 2013 after nearly a dozen years leading the boston globe just seven months into his new job baron received explosive news jeff bezos the founder of amazon would buy the post marking a sudden end to control by the venerated family that had presided over the paper for 80 years just over two years later donald trump won the presidency now the capital s newspaper owned by one of the world s richest men was tasked with reporting on a president who had campaigned against the press as the lowest form of humanity pressures on baron and his colleagues were immense and unrelenting having to meet the demands of their new owner while contending with a president who waged a war of unprecedented vitriol and vengeance against the media in the face of trump s unceasing attacks baron steadfastly managed the post s newsroom their groundbreaking

and award winning coverage included stories about trump s purported charitable giving misconduct by the secret service and roy moore s troubling sexual history at the same time baron managed a restive staff during a period of rapidly changing societal dynamics around gender and race in collision of power baron recounts this with the tenacity of a reporter and the sure hand of an experienced editor the result is elegant and revelatory an urgent exploration of the nature of power in the 21st century

provides articles and essays to help teenagers thoughtfully decide about higher education including picking a school financial issues and college admissions

the 1 new york times bestseller he s one of the best chroniclers of politics today jake tapper this is a really funny book kara swisher his writing is so damn good john berman really fascinating there are so many revelations anderson cooper the new must read summer book stephanie ruhle from the author of the 1 new york times bestseller this town the eyewitness account of how the gop collaborated with donald trump to transform washington s swamp into a gold plated hot tub and a onetime party of rugged individualists into a sycophantic personality cult in the early months of trump s candidacy the republican party s most important figures people such as marco rubio ted cruz and lindsey graham were united and loud in their scorn and contempt even more in their outrage trump was a menace and an affront to our democracy then awkwardly trump won thank you for your servitude is mark leibovich s unflinching account of the moral rout of a major american political party tracking the transformation of rubio cruz graham and their ilk into the administration s chief enablers and the swamp s lesser lights into frantic chasers of the grift what would these politicians do to preserve their place in the sun or at least the orbit of the spray tan what would they do to preserve their relevance almost anything it turns out trump s savage bullying of everyone in his circle along with his singular command of his political base created a dangerous culture of submission in the republican party meanwhile many of the most alpha of the lapdogs happily conceded to mark leibovich that they were in on the joke as lindsey graham told the author his supporters in south carolina generally don t read the new york times and they won t read this book either all that cynicism shading into nihilism led to a country

truly unhinged from reality and to the events of January 6, 2021, it's a vista that makes the Washington of this town seem like a comedy of manners in comparison. Thank you for your servitude; isn't another view from the Oval Office it's the view from the Trump Hotel? We can check out any time we want, but only time will tell if we can ever leave.
