this handbook provides a comprehensive and authoritative analysis of the philosophical dimensions of german romanticism a movement that challenged traditional borders between philosophy poetry and science with contributions from leading international scholars the collection places the movement in its historical context by both exploring its links to german idealism and by examining contemporary related developments in aesthetics and scientific research a substantial concluding section of the handbook examines the enduring legacy of german romantic philosophy key features highlights the contributions of german romantic philosophy to literary criticism irony cinema religion and biology emphasises the important role that women played in the movement s formation reveals the ways in which german romantic philosophy impacted developments in modernism existentialism and critical theory in the twentieth century interdisciplinary in approach with contributions from philosophers germanists historians and literary scholars providing both broad perspectives and new insights this handbook is essential reading for scholars undertaking new research on german romantic philosophy as well as for advanced students requiring a thorough understanding of the subject

both inside and outside the christian faith many difficult realities trouble human hearts and minds by being equipped to answer

questions about suffering and evil christians can persevere in faith share their faith and defend the faith when confronted with these inevitable challenges of living in a fallen world in 40 questions about suffering and evil greg welty shows the necessity of exploring our vocabulary around evil and suffering so we can clearly see and express the best questions welty explores vital ideas backgrounds and issues answering questions like these what is the difference between moral evil and natural evil what is the bible's role in helping us understand suffering and evil does god will all suffering and evil how is the gospel relevant to counseling those who suffer welty provides biblically informed intellectual resources for answering significant questions about suffering and evil exposing readers to a wide range of influential views articulated by christians over the past two millennia

this study intends to show that the answer to the question whether faith can be justified without proofs can be resolved by importing ideas from soren kierkegaard's and alvin plantingas affirmative take on the matter there is a deep similarity between the way they understand belief in god and belief in christianity the authors share the modern idea that there is an objective truth combining it with the postmodern stance that no method exists which would guarantee access to it one can see at both authors not only a deep commonality of ideas but also a remarkable way in which their understandings augment each other whereas kierkegaard comes to the provocative conclusion that if a person wants to live authentically she will meet christ on her life's journey without needing any proof plantingas inquiry contributes to the rational plausibility of this justified faith without reasons project

first published in 1990 there was a time when most researchers believed that the only phenomena that counted in the social sciences were those that could be measured to make that perfectly clear they called any phenomenon they intended to study a variable indicating that the phenomenon could vary in size length amount or any other quantity unfortunately not many

phenomena in the human world comes naturally in quantities if we cannot even give a useful answer to what qualitative analysis is and how it works then it seems rather incongruent to try and involve a computer the very essence of precision and orderliness isn't qualitative analysis a much too individualistic and flexible an activity to be supported by a computer won't a computer do exactly what qualitative researchers want to avoid namely standardize the process won't it mechanize and rigidify qualitative analysis the answer to these questions is no and this book explains why

volume 1 of a 2 volume set of locke's monumental work containing every word of all 4 books comprising the essay marginal analyses of almost every paragraph plus hundreds of explanatory footnotes

in between philosophy and religion volumes i and ii brayton polka examines spinoza's three major works on religion politics and ethics in order to show that his thought is at once biblical and modern this book and its companion volume are essential reading for any scholar of spinoza

excerpt from logic or the right use of reason in the inquiry after truth with a variety of rules to guard against error in the affairs of religion and human life as well as in the sciences the word reason in this place is not confined to the faculty of reasoning or inferring one thing from another it eludes all the intellectual powers of man about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that
