managing sustainability is a comprehensive guide to governing leading and managing a successful sustainability focused business being a socially and environmentally responsible business is a worthy goal for many people however turning the goal into reality is a daunting process this book takes a clear and practical approach to the nuts and bolt of achieving this goal and covers steps to be taken by directors and executives to create and implement appropriate strategies policies and management systems it recognizes that corporate social responsibility csr is like any other important management initiative and requires proactive leadership from the top of the organization key topics include understanding how csr is changing the traditional fiduciary duties of directors and officers developing and implementing internal governance instruments to provide a foundation for decision making around csr integrating csr into the duties and responsibilities of the chief executive officer and other members of the c suite team as well as into their compensation arrangements conducting continuous audits and assessments of the sustainability governance and management framework using certification and rating systems to evaluate and improve csr performance and effectiveness current and aspiring leaders wishing to build a sustainability centered business will appreciate the straightforward and actionable guidance offered by this book

this study investigates the relationships between corporate foresight and management decision making processes in organizations it provides an extensive analysis of extant theories of corporate foresight and strategic management brings in new insights and presents an in depth case study exploration of corporate foresight of a european bank

drawing on case studies and research from both management and communications fields this text provides students with an understanding of the basic concepts and techniques

needed to communicate successfully in today's business world. Separate chapters on the communication process and organizational theory form the foundation for later discussions of interpersonal relationships, effective listening, nonverbal communication, and obstacles to organizational communication. Two chapters are devoted to interviewing, with special attention given to informational and employment interview strategies. Subsequent chapters examine small groups and leadership within them. The three final chapters offer guidance in informative and persuasive presentations, including attention to verbal delivery and visual aids.

Integrating three primary themes: strategic management, concise edition emphasizes how managerial thinking influences strategy formulation and implementation, the importance of change, and the need to think dynamically about strategic management and the importance of organizational learning. Integrating real-world coverage throughout the text includes such important issues as problems associated with price competition, the use of litigation as a competitive weapon, the unique challenges of service businesses, the limitations of boards of directors, and much more.

Vols for 1871, 76, 1913, 14 include an extra number, the Christmas bookseller, separately paged and not included in the consecutive numbering of the regular series.

A text for junior and senior undergraduates and postgraduates students in sport management, addressing theoretical foundations and applications of the profession, covers innovative topics including experiential learning, organizational theory, and group decision making, as well as traditional aspects such as contract law, facility management, sponsorship, and budgeting. Learning aids include key terms, summaries, review questions, case studies, and exercises. Annotation copyright by Book News Inc., Portland, OR.
