one of the prevailing myths about the american family is that there once existed a harmonious family with three generations living

together and that this ideal family broke down under the impact of urbanization and industrialization the essays in this volume challenge this myth and provide dramatic revisions of simplistic notions about change in the american family based on detailed research in a variety of sources including extensive oral history interviews of ordinary people these essays examine major changes in family life dispel myths about the past and offer new directions in research and interpretation the essays cover a wide spectrum of issues and topics ranging from the organization of the family and household to the networks available to children as they grow up to the role of the family in the process of industrialization to the division of labor in the family along gender lines and to the relations between the generations in the later years of life while discussing family relations in the past and revising prevailing notions of social change these interdisciplinary essays also provide important perspectives on the present

the development of literature in canada with an eye to its multicultural multiethnic multilingual nature from modest colonial beginnings literature in canada has arrived at the center stage of world literature works by english canadian writers both established writers such as margaret atwood and new talents such as yann martel make regular appearances on international bestseller lists french canadian literature has also found its own voice in the north american and francophone worlds canlit has likewise developed into a staple of academic interest pursued in canadian studies programs in canada and around the world this volume draws on the expertise of scholars from canada germany austria and france tracing canadian literature from the indigenous oral tradition to the development of english canadian and french canadian literature since colonial times conceiving of canada as a single but multifaceted culture it accounts for specific characteristics of english and french canadian literatures such as the vital role of the short story in english canada or that of the chanson in french canada yet special attention is also paid to aboriginal literature and to the pronounced transcultural ethnically diverse character of much contemporary canadian literature thus moving clearly beyond the traditions of the two founding nations contributors reingard m nischik eva gruber iain m higgins guy laflèche dorothée scholl gwendolyn davies tracy ware fritz peter kirsch julia breitbach lorraine york marta dvorak jerry wasserman ursula mathis moser doris g eibl rolf lohse sherrill grace caroline rosenthal martin kuester nicholas bradley anne nothof georgiana banita gilles dupuis and andrea oberhuber reingard m nischik is professor of american literature at the university of constance germany
