as eleanor stark stood among the group of girls being auctioned off as slaves her heart pounded with a mix of fear anger and
determination she had lost everything that mattered to her her family her pack and her once peaceful life now she was faced
with a future of servitude under the very alpha she despised zane mackane zane known for his brutality and ambition had
built his pack through conquest and domination the acquisition of girls from other packs was one of his methods of
accumulating wealth but little did he know that among these girls stood the one destined to be his mate chosen by the moon
goddess herself the tension in the air was palpable as the bidding commenced eleanor s gaze met zane s a burning intensity
passing between them in that moment they both felt an undeniable connection an inexplicable pull that defied the rules of
their kind an alpha isn t supposed to mate with an outsider especially a slave or he will be dethroned and banished from the
pack would alpha zane be able to make the slave his mate and will eleanor be able to carry out her revenge this is book 1 of
the story

slavery one of the biggest sins in the wolf family but yet the alpha of all alphas was blind to see things taking place she was
taken when she was just 2 and grew up as a slave she lost faith in ever getting out from the bondage and also getting a mate
the night she was to be defiled by someone that s not her mate which might lead to the death of her wolf form she took the

risk to escape entering the booth of a car which turned out to be the alpha of all alphas and his name is kayden arriving in his town kayden found the strange girl who was his mate in his car but rejected her her name is samantha will he send her away what will be samantha fate

she killed a human on her first shift now she s a prisoner in her own pack emily thompson was already the strange girl who never shifted the weak one the unwanted one then her wolf finally emerges and blood stains her hands an accident no one believes her worse the alpha feels the mate bond and rejects her anyway publicly brutally six months in a dungeon was supposed to break her instead it awakens something far more dangerous on her eighteenth birthday another bond ignites stronger wilder older the lycan king has found his mate and he s coming for her silver moon pack thinks she s a murderer her former alpha thinks he made the right choice but when the truth behind that deadly night begins to surface the balance of power between wolves and lycans will shatter because the broken slave they locked away may be the most powerful wolf alive public rejection dungeon captivity second chance mate bond possessive lycan king high stakes pack politics no cheating hea guaranteed

rieka she was a naive chubby wolfless werewolf maltreated by her mate to the point where she loses her sanity and womb her crime was being chubby and less attractive than her peers gabriel he was a handsome strong willed womanizer who happens to a hybrid alpha prince the person he loves the most is his kid brother ralph he has searched high and low for a mate he could never find what will happen when he finds out that his beloved brother s ex wife happens to be his long awaited mate who was maltreated and is currently mentally unstable will he forgive his brother for hurting his mate or will blood flow

winter cheshire a future alpha by fate but a slave mate by her father s choice lucky for her castro her third chance mate rescues her from her abusive captor to her dismay even her savior gives her a cold shoulder after bringing her to his pack after two rejections castro s unwillingness to accept her is salt on her wounds what s the point of staying if she isn t good enough for him so she runs away little does she know someone is watching her and knows the true potential of her wolf a war of betrayal redemption awakening and a fated bond is waiting to unleash on all of them just remember the moon goddess is on her side and they should be ready for winter s wrath

the class struggle in the ancient greek world is an original and provocative reconstruction of 1 400 years of classical antiquity sharply written it is a major intervention in marxist theories of class seeking to explain and illustrate the value of marx s general analysis of society to ancient greek studies g e m de ste croix makes slavery central to the achievements of the greek city states and wider classical civilisation he traces the social origins of athenian democracy and advances an innovative explanation for the decline and fall of the roman empire comparing the late roman political system to a vampire bat ste croix argues that serfdom and a tightening fiscal screw left the peasant masses indifferent to the empire s fate widely reviewed and debated the class struggle in the ancient greek world was hailed by the new york review of books as the only work in a western language that has ever attempted to tell the story of the greatest part of the ancient world with the interests of the lower classes as its central theme

it is impossible to understand america without understanding the history of african americans in nearly seven hundred entries the encyclopedia of african american history 1619 1895 documents the full range of the african american experience during that period from the arrival of the first slave ship to the death of frederick douglass and shows how all aspects of american

culture history and national identity have been profoundly influenced by the experience of african americans the encyclopedia covers an extraordinary range of subjects major topics such as abolitionism black nationalism the civil war the dred scott case reconstruction slave rebellions and insurrections the underground railroad and voting rights are given the in depth treatment one would expect but the encyclopedia also contains hundreds of fascinating entries on less obvious subjects such as the african grove theatre black seafarers buffalo soldiers the catholic church and african americans cemeteries and burials gender midwifery new york african free schools oratory and verbal arts religion and slavery the secret six and much more in addition the encyclopedia offers brief biographies of important african americans as well as white americans who have played a significant role in african american history from crispus attucks john brown and henry ward beecher to olaudah equiano frederick douglass sarah grimke sojourner truth nat turner phillis wheatley and many others all of the encyclopedia s alphabetically arranged entries are accessibly written and free of jargon and technical terms to facilitate ease of use many composite entries gather similar topics under one headword the entry for slave narratives for example includes three subentries the slave narrative in america from the colonial period to the civil war interpreting slave narratives and african and british slave narratives a headnote detailing the various subentries introduces each composite entry selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the encyclopedia and to primary sources and scholarly works beyond it a topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work s usefulness

the authors of this volume set themselves one task to trace the extra biblical primary texts that are relevant for understanding jesus trial and crucifixion with that goal in mind the book is built on three major themes 1 jesus trial interrogation before the sanhedrin 2 jesus trial before pontius pilatus and 3 crucifixion as a method of execution in antiquity in chronologically

sequential order where possible the authors select and arrange an overwhelming amount of extra biblical primary texts 462 to be exact underneath these three categories 75 46 and 341 texts respectively brian j wright in religious studies review

i had to get pregnant and get out of the sin pack only by getting out could i get my revenge on a rusty iron frame lies a man alpha xavier the most notorious of the werewolves he was asleep under the effects of the drug unaware that i had shackled his hands and feet to the frame i drew the curtain to isolate the room and slowly removed my clothes today was the thirty fifth day i had been forced to be a slave in sin pack and i had thirty five years of my sentence remaining i had to do this in order to get out of here as soon as possible who he was perceptive he woke up as soon as i threw the bra to the floor who are you who the hell are you i didn t say a word and let him struggle with his arms and legs his eyes were covered by his tie and he couldn t see me is that you leila he couldn t see me but he unexpectedly called out my name anyway leila is that you get off me i didn t say anything i didn t have time to waste all the guards in sin pack were looking for him but no one would have thought that a lowly slave like me would dare to kidnap their fiercest alpha kidnap for the sake of rape i climbed on top of him picked up his hard member and sat down hard without any hesitation i felt the inside of my body being torn apart blood flowed down my thighs i was no longer a weak slave i crumpled onto him from the pain tears falling onto his chest alpha xavier please let me carry your child there was no fear in my eyes only the desire for revenge book 3 of 3 in the pregnancy for revenge paranormal romance series

this detailed analysis of slavery in the antebellum south was written in 1975 in response to the prior year s publication of robert fogel and stanley engerman s controversial time on the cross which argued that slavery was an efficient and dynamic engine for the southern economy and that its success was due largely to the willing cooperation of the slaves themselves noted labor

historian herbert g gutman was unconvinced even outraged by fogel and engerman s arguments in this book he offers a systematic dissection of time on the cross drawing on a wealth of data to contest that book s most fundamental assertions a benchmark work of historical inquiry gutman s critique sheds light on a range of crucial aspects of slavery and its economic effectiveness gutman emphasizes the slaves responses to their treatment at the hands of slaveowners he shows that slaves labored not because they shared values and goals with their masters but because of the omnipresent threat of negative incentives primarily physical violence in his introduction to this new edition bruce levine provides a historical analysis of the debate over time on the cross levine reminds us of the continuing influence of the latter book demonstrated by robert w fogel s 1993 nobel prize in economic sciences and hence the importance and timeliness of gutman s critique
