book two in the black flagged series a tense alliance between general sanderson and the cia narrowly averts an apocalyptic attack by islamic fundamentalists in europe but ultimately fails to recover the virus canisters with the biological weapons still missing the specter of an attack against the united states looms dangerously closer desperate to stop al qaeda daniel petrovich s black ops team is sent to investigate the last lead provided by anatoly reznikov the twisted scientist responsible for designing the virus what they uncover will shake u s authorities to the core every canister of the zulu virus has been shipped to the united states back in washington d c this startling revelation is intensified by a grim discovery suspected al qaeda cells under fbi surveillance have been simultaneously massacred targets of a shadowy domestic terror organization with ties to a rising political movement when special agent in charge ryan sharpe discovers that al qaeda lost possession of every virus canisters in the coordinated attack he deploys task force scorpion to hunt down a new breed of terrorist and recover the virus as sharpe s task force unravels the curious fabric of true america s plot they start to assemble the chilling details of an impending domestic bioweapons attack on an unimaginable scale with time expiring and his task force running out of options sharpe embraces the illicit help of a sworn enemy whose questionable tactics may be their only chance of stopping an insidious plan to destabilize the united states black flagged apex propels the gritty often unapologetic black flagged series into new territory where hidden agendas startling betrayals and brutal action define the daily landscape navigated by the puppet masters and frontline operators in the war on terror book 1 black flagged book 2 black flagged redux book 3 black flagged apex book 4 black flagged vektor keywords free freebie free ebook technothriller tom clancy robert ludlum covert operations black ops espionage spy thriller special operations fbi cia terrorism counter terrorism assassination interrogation special agent task force undercover military thriller political thriller permafrost frederick forsyth jack bauer muslim terrorist torture international europe russia sweden domestic terror militia biological warfare bioterrorism kgb fsb gru spetsnaz seal u s marine corps marines

continue the black flagged series with this specially priced core bundle by bestselling author steven konkoly three books black flagged redux black flagged apex and black flagged vektor for less than the price of two limited time offer 1 300 pages of a complex new black ops thriller series kirkus reviews black flagged redux book 2 two years after shocking washington d c with a brutal betrayal general terrence sanderson prepares for his triumphant return with his illegal covert operations group resurrected he waits in the shadows for the right moment to demonstrate the grim necessity of the black flag program his opportunity may arrive sooner than expected

at Langley Karl Berg is appointed to a new position with the CIA's National Clandestine Service as senior liaison to the Weapons of Mass Destruction Intelligence Center. He makes a disturbing discovery: Russian Federation intelligence services are secretly scouring Europe to find Anatoly Reznikov, a rogue Russian scientist at the top of every nation's WMD watch list. While the Russians pursue Reznikov, Berg goes off the books again and sends one of Sanderson's Black Flag teams to investigate. Led by Daniel Petrovich, the team uncovers a twisted conspiracy aimed at striking a horrific blow against the West with the frightening potential to bring the United States to its knees. Black Flagged Apex Book 3: A tense alliance between General Sanderson and the CIA narrowly averts an apocalyptic attack by Islamic fundamentalists in Europe, but ultimately fails to recover the virus canisters. With the biological weapons still missing, the specter of an attack against the United States looms dangerously closer. Desperate to stop Al Qaeda, Daniel Petrovich's Black Ops team is sent to investigate the last lead provided by Anatoly Reznikov, the twisted scientist responsible for designing the virus. What they uncover will shake U.S. authorities to the core: every canister of the Zulu virus has been shipped to the United States. Back in Washington D.C., this startling revelation is intensified by a grim discovery: suspected Al Qaeda cells under FBI surveillance have been simultaneously massacred, targets of a shadowy domestic terror organization with ties to a rising political movement. When Special Agent in Charge Ryan Sharpe discovers that Al Qaeda lost possession of every virus canister in the coordinated attack, he deploys Task Force Scorpion to hunt down a new breed of terrorist and recover the virus. Black Flagged Vektor Book 4: With the most recent bioterrorism threat against the United States neutralized and Dr. Anatoly Reznikov in secret custody, CIA Deputy Director Karl Berg proposes a more permanent solution to prevent future attacks: a covert raid by General Sanderson's Black Flag unit against Vektor Labs deep inside Russia to destroy a bioweapons program that should have ended with the Cold War. The United States isn't the only nation looking to tie up loose ends: the sudden abduction of a CIA officer in Stockholm exposes the Russian Foreign Intelligence Service's SVR ruthless campaign to discover the truth behind the massacre of an elite Spetsnaz team sent to eliminate Reznikov and permanently bury his knowledge of Vektor's sinister purpose through an intricate web of unsavory alliances, deviously orchestrated political maneuvers, and shockingly brutal Black Ops sanctions. Karl Berg will set in motion an unstoppable chain of events with the potential to ignite a new Cold War.
